Sponsorship Invitation

Help Children & Teens locally & internationally

The Run to Help Children Color and Foam 5K is coming up July 29, 2017 at Brubaker Park in East Earl, PA. We need local businesses to please consider being a sponsor of this year's fun run & fundraising event.

Who is "We Help Children"?

We Help Children, Inc is a local 501(c)3 nonprofit organization founded by Drew and Cindy Metcalf whose headquarters and Board of Directors are based in the New Holland area. Before moving to Guatemala to bring Christ's healing to abused and abandoned orphans, the Metcalf's served as the youth pastor couple at Weaverland Mennonite Church. Drew also worked as a counselor at Upward Call Counseling Services in New Holland. It was at that counseling ministry where local parents brought their children adopted from Guatemalan orphanages to receive healing for their newly adopted child and help for their family.

Learning about the need, in 2011, the Metcalf family moved to Guatemala directly to build programs of healing and hope inside orphanages. Their ministry has now spread to other Central American countries, as well as inner-city Chicago. This year they are partnering with Friday Night Skate in Ephrata, PA who helps teens locally. A portion of proceeds from the Run To Help Children will go to help local youth and families.

With a gift of any amount, we would like to show our appreciation by thanking your business on the website, facebook and the day of the community event.

We also invite your business to put up a booth at the event, providing information about your local business and any giveaways.
